**Student of the Week**

**P/1 Jacob Torpey** for being a fantastic listener and tuning into his learning.

**1/2F Madeline Granter** for encouraging others to have a go at activities that challenge them.

**3/4G Jye Aldous** for being a friendly student who includes others in his games.

**4/5/6M Jordan Watts** for always completing homework and learning her spelling words.

**5/6U Griffin Harris** for showing courteous manners to visitors of the school, opening doors for them and generally being polite.

**Sports Award**

**Caleb Harding**

For bravely bouncing back after enduring a ball to the head.

**Values Award**

**Jayden Peacock-White**

For being a willing and supportive helper with PMP.
A word from Debbie

The students are all taking advantage of the new play opportunities on the synthetic grass and concrete slab! It is wonderful to observe them having so much fun and interacting so positively with their friends and students from other year levels. The bat tennis players are developing great skills and we plan to have a doubles tournament during lunchtimes.

This Friday 1st June is a Pupil Free Day as teachers are writing their reports that will be handed out to families on the 15th June. The Zone Cross Country is also on Friday and we wish all our competitors a safe and successful run.

There are many platters, bowls etc from the recent catering by parents. Please collect any items from the staffroom.

Netball Clinic

On Monday lunchtime five Year 9 students from Yea HS ran a netball clinic for ten of our Grade 1 to 4 students, who elected to participate. The activities were a lot of fun and supported growth in the students’ passing, shooting and defending skills. They will be enjoying two more sessions with the girls finishing on the 18th June.

Boite

Some of our singing group who are going to Boite were able to attend a practice last weekend at school. It is wonderful to have the practises in Yea as it saves organising trips to Melbourne. Thank you to Miss Fillmore for giving up her time on the weekend to host the practise sessions.

Visits to Rosebank

Sal’s grade visited Rosebank recently and Tracey will be taking her students for a visit this Wednesday. The residents enjoy interacting with the students who share their work, read stories and sometimes sing songs. It is a lovely community activity and enables our students to use their speaking and listening skills. All grades will visit Rosebank as we will be there once a fortnight.

Breakfast Club

We are providing toast for all students on Tuesday, Wednesday and Friday mornings. Many take advantage of this opportunity and I am very grateful to Jane Marks and Beth Turvey who provide their help on two of the days. It is very enjoyable to chat to the students as they arrive at school.

Lunch Orders

The Friday lunches provided by Café Christie have been very popular. Thank you Alana and Sara for providing us with such delicious food each week.

AASC

Terry, Leigh and Deb Redding have been running soccer sessions at Yea HS on Monday afternoons. The amount of students who have taken up this opportunity has been amazing and they are enjoying developing their skills and playing in a game situation. Sacred Heart students have also been involved so it has been great for our students to get together and play soccer. This has been a great initiative well done Terry, Leigh and Deb. The last soccer session will be the 18th June.

School Crossing

It has been brought to my attention that some students are not using the school crossing and running across the road at various points particularly in front of the ice-cream shop. We have spoken to all grades and would appreciate parents discussing this issue with their children. Also parents and children are not to enter the school through the staff car park as this is not a safe area to walk through.

Household Goods for Sale

All household items at 10 Raglan Street are for sale including a washing machine, fridge, kitchen utensils, queen ensemble, bedside tables, furniture, baby goods etc. Please contact Kelly on 0419143999. There will be a monster garage sale on the 2nd & 3rd June from 8am to 5pm at the same address.

With thanks
Debbie George
**Drum Lessons**

Drum Lessons will start next Wednesday 6th June in the Multi-purpose room. If you would like to enrol your child please fill out the form and return it to the office. Cost is $25 per half hour lesson. Drum kits also available for hire. Further details contact Terry 0427 312 561.

**Book Fair**

The Bookfair will be held in the Multi Purpose Room (next to the office) for two weeks from Monday 4th June until Friday 15th June.

Lots of interesting books will be on sale in the mornings from 8:30am—9am and in the afternoon from 3:00pm—3:30pm.

All purchasers receive a raffle ticket and go into the draw to win some great prizes.

---

**Drum Lessons**

I give permission for my child to have guitar lessons during school hours.

**School Uniform Shop**

Open every Thursday

**TIMES**

8:40am—9:15am

3:15pm—3:40pm

---

**Book Fair**

Please come to The Yea Primary School Book Fair and share in the wonderful variety of books we have on offer.

- Picture Story Books
- Fiction Books
- Non-Fiction Books
- Posters
- Novelties

All purchasers will receive a raffle ticket to go in the draw to receive some great prizes!

Monday 4th June to Friday 15th June.

**Times**

8:30am—9:00am

3:00pm—3:30pm

A great fundraiser for the school as the school receives books for free based on sales.
Main Points

- As schools and early childhood services across Victoria prepare for the onset of the autumn and winter months, SunSmart is encouraging everyone to get some sun exposure during their week to help with vitamin D levels.
- Although ultraviolet (UV) radiation from the sun is the main cause of skin cancer, it is also the best natural source of vitamin D; essential for strong bones, muscles and overall health.
- Sun protection is required when UV Index levels reach three and above. In Victoria, average UV levels fall below three between May and August, making it a great time to get outside for some sun to help with vitamin D levels.
- At levels below three, UV is generally not damaging to the skin and sun protection is not required unless in Alpine areas near highly reflective surfaces such as snow or outside for extended periods.
- Students with fair to olive skin should get two to three hours per week of midday winter sun exposure to face, arms and hands (or equivalent area of skin).
- Students with naturally very dark skin, may need approximately three to six times this recommended exposure level.
- Groups at risk of low vitamin D levels include students who have naturally very dark skin and/or wear concealing clothing for religious or cultural reasons. If concerned about vitamin D levels, these students should visit a GP where vitamin D levels can be checked with a simple blood test.
- The free SunSmart smartphone app features a vitamin D tracker that allows users to find out if they are getting enough sun to help with vitamin D levels.
- Given UV levels vary across the State, SunSmart recommends checking the SunSmart UV Alert for your region each day to make sure UV levels are below three.
Want to learn more about setting up play for your pre-school children?

Come along to our...

Play workshop

Monday 18th June, 7-9pm
at the Alexandra playgroup building.

Free for all Alexandra playgroup members, $5 for non-members.

Learn about:
- the value of play
- planning play
- setting the scene
- the role of adults
- using recycled materials for play resources
- ideas for setting up play experiences and activities

To register please email Alexandraplaygroup@gmail.com or call Lucy on 0477 002 937

*Nibbles provided. Sorry, no children.
