A word from Debbie

Teachers’ Strike 7th June
The following teachers will not be at school on Thursday 7th June due to the State wide teachers strike. Deb Male, Sal Phillips, Louise Fillmore, Lachlan Grant, Joy Clayton, Jo Madden and Tracey Ukosich. It is very disappointing that the situation with the Victorian Government has got to this point with negotiations making no progress after eight months. A note was sent home with all students last Thursday explaining the issues. Therefore no children are expected at school tomorrow.

Zone Cross Country
I would like to apologise to the families of students attending the Cross Country Zone event that the time change was not given to them. The students who attended the event shared with the school at Monday’s assembly the outcome of their races. We are very proud of them all and wish Lily Marsden and Hayley Lawrence every success in the Regional Competition to be held in Melbourne.

Book Fair
Beth Turvey has organised the Book Fair which will run for two weeks. There were many parents and students there on the first day buying books, posters and other lovely things. Names of people who purchase will go into a raffle and there are great prizes to be won. There is a broad range of books that are very reasonably priced. Thank you Beth for all your great organisation.

Reminder
At assembly on Monday all students were reminded that food must be eaten in the undercover area at recess and lunchtimes. There are rubbish bins in this area and we want to minimise rubbish in the school grounds. All students are expected to pick up any rubbish in their allotted areas when the music is playing after lunch.

Queen’s Birthday Long Weekend
A reminder to all families that the Queen’s Birthday Holiday is on Monday 11th June. As this is a public holiday the school will be closed.

NSW University Exams
The following exams will be sat by some students whose families chose for them to participate. Science 6th June, Writing 18th June and spelling the 19th June.

Netball Clinics
The netball clinics being run by some Yea HS students have been very popular and the girls are sharing their knowledge of skills with our students. The last session will be on Monday 18th June at lunchtime. Thank you girls.

With thanks
Debbie George
