

## 2024 COMBINED PERMISSIONS FORM

Dear Parents/Guardians

Each year parental permission must be granted for students to participate in a variety of activities. Below you will find a detailed description of the activity. To ensure your child is able to participate please sign the relevant sections giving your approval and cross out or circle the relevant sections if applicable. Verbal approval will not be accepted.

---

### LOCAL EXCURSION

Outings, within walking distance of the school, without cost, form an ongoing part of the curriculum. To avoid unnecessary paperwork for both yourself and staff, this approval allows your child to attend all local excursions during the year.

### PG RATED MOVIES YEARS P – 6

Throughout the year students in years P – 6 may be required to watch PG rated movies as part of their studies in subjects including literacy, health or class parties. The movies chosen are at the discretion of the teacher and do not contain inappropriate language, explicit sex scenes or violence. If you have any questions please contact your child's teacher. Students without consent will be given alternative work at another location.

### MEDICAL CONDITIONS

We understand medical conditions can change for children. Please update over the page any changes that have happened for your child so we can update our records. Please attach any medical plans from your Doctor or medical professional.

### INTERNAL/EXTERNAL MEDIA

To celebrate the achievements and efforts of all students we like to mention their participation in a variety of ways. In order to comply with the Privacy Act, approval is required to display photos of students and their work during the course of the school to capture all the learning opportunities they experience. It also becomes a historic record for future reference. This includes photographs, footage taken by media including Yea Chronicle, Yea Primary School Facebook page and Yea Primary School website.
