A WORD FROM CRAIG

Dear families,

I hope everyone is well. We had a huge afternoon on Friday with so many special visitors coming to our school and spending time with our students. This day supports our Book Fair which has been a raging success, and it also connects our community. The conversations, smiles and fun shared with our extended community were really special. Thank you to everyone for your support.

Fundraising

Please send back your Dance-a-thon Fundraising as soon as possible if you haven't already. We will announce our Prize winners on August 24th at Assembly.

The Yea Rotary Group have different organisations and community groups cater meals for them at the Golf Club on Thursday nights. On Thursday last week, Lyndal, Al, Darby and Bridie Tait, Bella Wood, Amanda, Chris, Stella and Sienna Jolly all served and prepared the meal. This raises funds for our school and is an excellent opportunity for our students to serve our community and display leadership. The Tait's and the Jolly's have been huge contributors to these nights over the years and deserve our thanks and recognition. We still need a team of people to volunteer to support and run these nights if we are going to keep them going. If you are prepared to be a part of it on a rostered basis, please contact the office and leave your details.

Our Student Representative Council will be running a fundraiser for, 'Fight Cancer Foundation – Footy Colours Day' on the last day of term. We will have all students dress in their favourite sporting team colours, will have food and games as part of the day.

Events

It has been busy at Yea Primary School, and it isn't getting any less busy. In week 2 we held our Dance-a-thon, Tree Planting Day with Sacred Heart organised by Zanni and writers' workshops for our senior students. In week 3, our Book Fair was running, ICAS and Maths Competition Exams took place, and we held our Special Person's Afternoon.

This week is also a busy week with School Council, the Boite Choir performance in Melbourne, Student Excellence Program – QUANTUM excursion, Writers Workshops and Water Week Competition. Finally, in Week 5, we have Student Support Group meetings, ICAS exams, Student Multi Cultural Leadership Workshop in Wallan and our Cluster Curriculum Day on Friday the 22nd of August which is a student free day.

NAPLAN

Some great NAPLAN results in Victoria and at Yea Primary School. We have seen an increase in our Spelling results that we have been working towards, consistent strong results in reading and there is lots for us to be proud of when we break down the data. We had our highest participation rate in years, have few students identified as needing additional support and where this has occurred, the students are already accessing evidence-based interventions and support at school. Well done to all the teachers and students at Yea Primary School.

Regards, Craig
