A WORD FROM CRAIG

Dear Families,

What an amazing first couple of weeks we have had back at school! We have had lots of great learning happening in the classroom and away from the classroom.

I have just returned from Urban Camp, the students were amazing, the activities were awesome, and Lauren Cronk and Sophie Watts deserve a lot of praise for their positive attitude and consistency on a very exciting but challenging camp. We were supported on this camp again by the amazing Chris Cummins, this was his 22nd and last time attending camp. An amazing effort and we owe him a huge gratitude, thanks Chris!!!

Term 4 News

ELF Reading Day is on again, our students will hit the streets and as part of our community listen to lots of books and also enjoy a presentation, activity workshop with animator and illustrator Kenny Chan on the day. We look forward to seeing everyone's costumes on Wednesday the 22nd of October, 2025. Thanks to Sal for organising again even in retirement.

The Smile Squad are onsite this week to see lots of our students. There are a huge number of students to get through and they are unable to guarantee they will have time to see everyone. **If you are available to bring your child after school finishes that will help them get through the list! Please let Jo or Kelly in the office know if that will suit you.**

School Closure

Monday 3rd November school is closed for a Professional Practice day and Tuesday 4th November we are closed for the Melbourne Cup public holiday. Due to this our next school newsletter will be Wednesday 5th November. Their Care will be open on Monday 3rd November if you need care for your child that day.

Class Dojo – Work Samples / DOJO Points

Last term we launched our Class DOJO parent access. This was to allow families to see their child collecting DOJO points and also so we can share student learning through videos and projects. We will also be putting student photographs and images on here that are a little more personal rather than on facebook. Please use the emails provided to join to see everything that is happening at Yea Primary School.

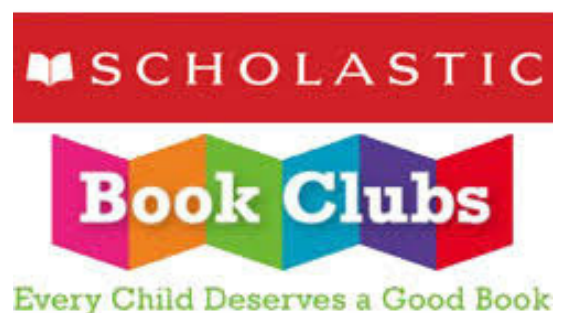

Have a great couple of weeks and we will see you all soon.

Kind regards,

Craig
