Issue 3

A word from Deb...

Asthma Management Plans

The Department requires the Asthma Management Plans to be updated yearly. If you haven't given us a new plan this year please organise it and send it to the office as soon as possible.

School Fees

School fees are now overdue. please talk to Fiona if you would like to set up a payment plan.

Walkathon – 12th March

Currently the weather forecast is looking good for the whole school Walkathon on Friday 12th March. We will be leaving from the railway reserve opposite the school at 9.30am. A note will have been given to your child this week to give permission for them to participate. Please return ASAP.

Whatever distance each child walks will be great and we are hoping for lots

of parents, grandparents and friends to attend this activity and walk back any students who have reached their limit! All students are welcome to dress in their house colours.

We will be supplying one sausage in bread and an icy pole for each child – no cost to families, please send additional lunch if this will not be enough for your child at lunchtime.

Preps

All preps will be attending school fulltime from this week. Lauren Cronk has been able to spend quality time with all students testing in literacy and numeracy while they have been having a rest days on Wednesdays.

Grade 3/4 Camp Sovereign Hill

Jo Madden has spent many hours organising this camp and we are looking forward to enjoying activities that will reflect what the students have been learning in class

about the Gold Rush in Ballarat. It is a huge responsibility taking students away on camp and we are not prepared to take any students who cannot follow instructions which means safety is compromised. The only time we leave Sovereign Hill is to visit the lovely old theatre in Ballarat to watch a movie. This is a relaxing activity after a busy day enjoying all that Sovereign Hill has to offer!

Sausage Sizzles

The last fund raising sausage sizzles for the Term 1 will be held on Thursday 18th and the 25th March. Notes will be sent home for students to order. Thank you to all families who support these fund raising activities. It is great for the students to have a change in their usual lunchtime food.

Thanks Debbie.
