## **A word from Craig...**

Dear Parents and Community,

Welcome back to term 2. We wanted to send out a shorter update with a few pieces of key information for the start of the school term which are attached. Please have a look at the updated planner for this term. We are planning a couple more events which involve the whole community including a Walk-a-thon and our School Council Public Meeting.

## **School Council**

Our Public Meeting is set for Wednesday the 4th of May, next week at 3:45pm until 4:45pm. We would love for as many members of our school community to attend as possible. We will go through the 2021 annual report and have a Q & A section for people who may be interested in being involved in School Council, a Sub Committee or just helping out around the school in the future. People do not have to register to attend and the meeting will be held in the Multi-Purpose Room. Hope to see a few faces there on this day.

## **NAPLAN**

Our Grade 3 and Grade 5 students will be sitting NAPLAN online this year in week 3 and week 4 of the term. The specific schedule will be sent out to families of students in these classes via email next week. We look forward to all students doing their best.

## **Mothers Day Stall**

Christie has organised some fantastic items for the Mothers Day Stall for Thursday 5th May in Multipurpose Room at 9.15am. All items are between \$1 and \$5. There will be no online store this year.

## **Thank You**

So many people are helping out around our school to make it a fantastic place. From organising the Mother's Day Stall to making cakes for the bake sale, gardening, reading reports for Council, organising a Walk-a-thon and much, much more. If you would like to be involved please register your interest at the office and we will find a way for you to help out our community as well.

Stay safe, Craig
