A WORD FROM CRAIG

Dear Families,

It has been fantastic to see so many new and prospective families visiting Yea Primary School over recent weeks as they begin planning for their child's transition to school. Sharing our classrooms, programs and community with families is always a highlight and we appreciate the positive feedback and interest in our school. A reminder to our current families that the Department of Education has now moved the enrolment process online. Families enrolling children for 2027 can access the enrolment link through the Enrolments section of our school website. If you have any questions or require support with the process, please do not hesitate to contact Jo or Kel in the office who will be very happy to assist.

Sporting News

Congratulations to all our students who participated in both our House Cross Country and the Cluster Cross Country events over the past week. It was fantastic to see so many students giving their best effort, supporting one another and demonstrating resilience and House spirit throughout the events. We would also like to congratulate the 15 students who have now qualified for the Division Cross Country event being held in Yea this Thursday. Well done to Holly, Brooklyn, Zoe, Archie, Hudson, Rory, Ollie, Toby D, Linc, Jasper, Bridie, Ivy, Ruby M,

A WORD FROM CRAIG CONT...

Jake and Logan S on this fantastic achievement. We wish all students the very best of luck at Division level. Thank you as always to Nikki for all her work and organisation preparing our students. It was fantastic seeing them all in our new school athletic tops for the first time. Thank you to Kath Alldrick for organising on behalf of school council and to Hudson Roberts for the consistent requests and encouragement.

Special Guests

Thank you to the players from the Collingwood AFLW program who recently visited Yea Primary School. The players were fantastic role models for our students and represented their club with professionalism, enthusiasm and kindness throughout the visit. Students absolutely loved the opportunity to meet the players, ask questions and have a kick out on the oval together. Experiences like these are a wonderful way to inspire students to stay active, build confidence and develop a love of sport and teamwork. We greatly appreciate the time the players and staff took to visit our school and create such a memorable experience for our students.

Fibre and Texture Unit

A big congratulations to Lou Fillmore and all our Arts students whose wonderful work was entered and displayed as part of the Murrindindi Beanie Festival. It was fantastic to see our students represented in such a creative and community-focused event and we are very proud of their efforts and artistic achievements. It was a really engaging unit. Thank you also to the families who supported our school's Beanie Day by making donations. Your support helps contribute to important community initiatives and adds to the strong sense of community spirit we value so highly at Yea Primary School.

Yea Library and UGFM

Students participated in National Simultaneous Storytime this week in partnership with the Yea Library. This is always a fantastic event that promotes reading, imagination and a love of books across Australia.

Keep your ears tuned for the library hour on local radio station UGFM as some of our students will soon be on air reading and sharing their thoughts on books and literature. UGFM is a Community Radio Station broadcasting on FM 106.9 Alexandra/Eildon, 88.9 Yea/Highlands, 94.5 Kinglake Ranges, 98.5 Marysville, 98.9 Flowerdale and streaming on the web. Our first student will be on air around 9:00am on Friday the 26th of June, 2026. Stay tuned!

Calendar Updates

Due to the recent adjustments to reporting expectations this term as part of the Industrial agreement, the Report Writing Curriculum Day that was previously scheduled for after the King's Birthday public holiday on Tuesday June 9th has now been removed. This means that Tuesday June 9th will operate as a normal school day for all students. Please update your calendars accordingly.

Have a fantastic week and see you around school, maybe drop by for a Monday morning milo before assembly.

Kind regards, Craig
