- 26<sup>th</sup> Boite Rehearsal at YeaPS
- 27<sup>th</sup> School Council Meeting

### August

- 3rd Book Fair
- 4th Book Fair
- 5th Book Fair

## A WORD FROM CRAIG

Dear Families,

I hope you had a wonderful long weekend and were able to enjoy some of the beautiful weather outdoors with family and friends.

We are certainly on the home stretch for Term 2. With a short Week 8 ahead, our Grade 5/6 School Camp in Week 9, and student reports being distributed in the final week of term, there is still plenty happening before we break for the school holidays.

As previously communicated, reports will look a little different this semester, with written comments not included due to the earlier stop-work action. To ensure families still have the opportunity to discuss their child's progress, we will be offering Parent-Teacher Meetings in the final week of term. Families will be able to book a 10-minute meeting through Sentral, and further information about the booking process will be shared later this week.

We would also like to welcome back our Wellbeing Officer, Graham Veal, following his recent surgery. Graham has been a valued member of our wellbeing team for many years, and we

## A WORD FROM CRAIG CONT...

know students, staff and families will be pleased to see him back at school. We wish Graham all the very best as he continues his recovery and thank him for the care and support, he provides to our students and community.

Congratulations to our Division Cross Country runners on their fantastic efforts at the Division Championships on 28 May. Our students represented Yea Primary School with determination, resilience and sportsmanship throughout the day. A special congratulations to Jake Aldrick, Ivy Duncan, Lincoln Dehn, Brooklyn Waghorn, Zoe Aldrick and Holly Cronk, who have all qualified for the Regional Cross Country Championships in Benalla on Friday 12 June. This is a wonderful achievement and a testament to their hard work and dedication. We wish all six students the very best as they take on the next stage of competition and proudly represent our school at the regional level. Well done!

### **School Review 2026**

Our School Review took place on Tuesday 2 June. Thank you to Caitlyn O'Meara who represented School Council and to all of the students, staff and community members who participated throughout the review process.

The review panel included two principals from schools within our network, our Senior Education Improvement Leader, and an experienced former principal who facilitated the review. The panel spent the day analysing data, visiting classrooms, speaking with students and staff, and reviewing the school's progress over the past four years.

We were delighted to receive very positive feedback. The panel recognised the significant growth in student learning and wellbeing outcomes over the life of the current Strategic Plan and acknowledged Yea Primary School as a high-performing school. The review team also highlighted our positive school culture, well-organised classrooms, engaged students and the strong relationships that exist across our school community.

The feedback and recommendations from the review will now help guide the development of our next School Strategic Plan and establish our priorities and targets for the next four years. We look forward to sharing more information with our community as this work progresses over the coming months.

Thank you for your continued support as we work together to provide the best possible outcomes for our students. We look forward to a busy and productive finish to the term.

Kind regards,

Craig

# VALUES AWARDS

Congratulations to these amazing students for displaying our school values. You did a great job!

Week 6

Zara, Fox  
and Pippa

Week 7

Jagger, teddy,  
Hendrix, Ethan, Caleb
