At Yea Primary School we work together to provide a safe, nurturing learning environment that is grounded in positive relationships so that every student can thrive and reach their maximum potential. We focus on developing the 'whole' student – emotionally, socially and academically. We appreciate and nurture each student as unique individuals with different interests and learning styles.

We provide an engaging curriculum that is tailored to the needs of each student. Our passionate teachers ensure our students grow in confidence and capabilities and develop skills for the future. Students who may have a complaint or concern about something that has happened at school are encouraged to speak to their parents or carers and approach a trusted teacher or a member of the school leadership team.

## 6. Student behavioural expectations and management

Behavioural expectations of students, staff and families are grounded in our school's Statement of Values. Student bullying behaviour will be responded to consistently with Yea Primary School's Bullying policy.

When a student acts in breach of the behaviour standards of our school community, Yea Primary School will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implements positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- warning a student that their behaviour is inappropriate
- teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour
- withdrawal of privileges
- referral to the Principal
- restorative practices
- time in
- behaviour support and intervention meetings
- suspension
- expulsion

Suspension, expulsion and restrictive interventions are measures of last resort and may only be used in situations consistent with Department policy, available at:

- <https://www2.education.vic.gov.au/pal/suspensions/policy>
- <https://www2.education.vic.gov.au/pal/expulsions/policy>
- <https://www2.education.vic.gov.au/pal/restraint-seclusion/policy>
