PURPOSE

The purpose of this policy is to ensure that all students and members of our school community understand:

- our commitment to providing a safe and supportive learning environment for students
- expectations for positive student behaviour
- support available to students and families
- our school's policies and procedures for responding to inappropriate student behaviour.

Yea Primary School is committed to providing a safe, secure and stimulating learning environment for all students. We understand that students reach their full potential only when they are happy, healthy and safe, and that a positive school culture, where student participation is encouraged and valued, helps to engage students and support them in their learning. Our school acknowledges that student wellbeing and student learning outcomes are closely linked.

The objective of this policy is to support our school to create and maintain a safe, supportive and inclusive school environment consistent with our school's values.

SCOPE

This policy applies to all school activities, including camps and excursions.

POLICY

1. School profile

Yea Primary School is a special place that has served the community of Yea and the surrounding region for well over 100 years. It is a privilege to work with our students, staff and families to make our school the very best it can be. At Yea Primary School we work together to provide a safe,

nurturing learning environment that is grounded in positive relationships so that every student can thrive and reach their maximum potential. We focus on developing the ‘whole’ student – emotionally, socially and academically. We appreciate and nurture each student as unique individuals with different interests and learning styles.

We provide an engaging curriculum that is tailored to the needs of each student. Our passionate teachers ensure our students grow in confidence and capabilities and develop skills for the future. We use innovative techniques, rich resources, research based and proven instructional practices to promote student learning. We embed and live our school values of respect, integrity, persistence, collaboration, creativity and empathy. The school embraces the community and is well served by a number of community members who volunteer their own time, expertise and resources to offer opportunities and experiences for our students. There are many opportunities for parent and community involvement at the school if you are interested and we would be thrilled to have you become a part of our school community.

2. School values, philosophy and vision

Yea Primary School’s Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of Respect, Resilience and Responsibility at every opportunity. Our school’s vision is to empower students to reach their personal best, and fully equip them to contribute positively to society.

3. Wellbeing and engagement strategies

Yea Primary School has developed a range of strategies to promote engagement, positive behaviour and respectful relationships for all students in our school. We acknowledge that some students may need extra social, emotional or educational support at school, and that the needs of students will change over time as they grow and learn. A summary of the universal Yea Primary School, targeted P-6 and individual engagement strategies used by our school as included below.

4. Universal

- high and consistent expectations of all staff, students and parents/carers
- prioritise positive relationships between staff and students, recognising the fundamental role this plays in building and sustaining student wellbeing
- creating a culture that is inclusive, engaging and supportive
- welcoming all parents/carers and being responsive to them as partners in learning
- analysing and being responsive to a range of school data such as attendance, Attitudes to School Survey, parent survey data, student management data and school level assessment data
- deliver a broad curriculum to ensure that students are able to choose topics within an Inquiry Task that are tailored to their interests, strengths and aspirations
- teachers at Yea Primary School follow an agreed instructional framework to ensure an explicit, common and shared model of instruction to ensure that evidenced-based, high yield teaching practices are incorporated into all lessons
- teachers at Yea Primary School adopt a broad range of teaching and assessment approaches to effectively respond to the diverse learning styles, strengths and needs of our students and follow the standards set by the Victorian Institute of Teaching

- our school's Statement of Values are incorporated into our curriculum and promoted to students, staff and parents so that they are shared and celebrated as the foundation of our school community
 - carefully planned transition programs to support students moving into different stages of their schooling
 - positive behaviour and student achievement is acknowledged in the classroom, and formally in school assemblies and communication to parents
 - monitor student attendance and implement attendance improvement strategies at a whole-school, cohort and individual level
 - students have the opportunity to contribute to and provide feedback on decisions about school operations through the Student Representative Council and other forums including year group meetings and class meetings. Students are also encouraged to speak with their teachers and Principal whenever they have any questions or concerns.
 - create opportunities for cross—age connections amongst students through school plays, athletics, music programs and peer support programs
 - All students are welcome to self-refer to the Wellbeing Coordinator, School Wellbeing Officer, and Principal if they would like to discuss a particular issue or feel as though they may need support of any kind. We are proud to have an 'open door' policy where students and staff are partners in learning
 - We engage in school wide positive behaviour support with our staff and students, which includes programs such as:
 - Respectful Relationships
 - Safe Schools
 - programs, incursions and excursions developed to address issue specific behaviour, Grade 6 Transition to High School, Prep Transition
 - opportunities for student inclusion (i.e. sports teams, clubs, recess and lunchtime activities)
 - buddy programs, peers support programs, incursions and excursions developed to address issue specific needs or behaviour, i.e. anger management programs.
- Measures are in place to empower our school community to identify, report and address inappropriate and harmful behaviours such as racism, homophobia and other forms of discrimination or harassment.

with a disability in Out of Home Care with other complex needs that require ongoing support and monitoring.

Identifying students in need of support

Yea Primary School is committed to providing the necessary support to ensure our students are supported intellectually, emotionally and socially. The Student Wellbeing team plays a significant role in developing and implementing strategies help identify students in need of support and enhance student wellbeing. Yea Primary School will utilise the following information and tools to identify students in need of extra emotional, social or educational support:

personal, health and learning information gathered upon enrolment and while the student is enrolled attendance records academic performance

observations by school staff such as changes in engagement, behaviour, self-care, social connectedness and motivation attendance, detention and suspension data engagement with families, self-referrals or referrals from peers

Student rights and responsibilities

All members of our school community have a right to experience a safe and supportive school environment. We expect that all students, staff, parents and carers treat each other with respect and dignity. Our school's Statement of Values highlights the rights and responsibilities of members of our community. Students have the right to: participate fully in their education feel safe, secure and happy at school

learn in an environment free from bullying, harassment, violence, racism, discrimination or intimidation express their ideas, feelings and concerns.

Students have the responsibility to: participate fully in their educational program

display positive behaviours that demonstrate respect for themselves, their peers, their teachers and members of the school community respect the right of others to learn.

Students who may have a complaint or concern about something that has happened at school are encouraged to speak to their parents or carers and approach a trusted teacher or a member of the school leadership team. Further information about raising a complaint or concern is available in our Complaints Policy.

Student behavioural expectations and management

Behavioural expectations of students are grounded in our school's Statement of Values. Violence, bullying, and other offensive and harmful behaviours such as racism, harassment and discrimination will not be tolerated and will be managed in accordance with Yea Primary School's Bullying Prevention Policy

When a student acts in breach of the behaviour standards of our school community, Example School will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff. Our school considers, explores and implement positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- Warning a student that their behaviour is inappropriate
- Teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour
- Withdrawal of privileges
- Referral to the Principal
- Restorative practices
- Detentions (Time in)
- Behaviour support and intervention meetings
- Suspension or expulsion

Suspension, expulsion and restrictive interventions are measures of last resort and may only be used in situations consistent with Department policy, available at:

<https://www2.education.vic.gov.au/pal/suspensions/policy>

<https://www2.education.vic.gov.au/pal/expulsions/policy>

<https://www2.education.vic.gov.au/pal/restraint-seclusion/policy>

In line with Ministerial Order 1125, no student aged 8 or younger will be expelled without the approval of the Secretary of the Department of Education and Training.

The Principal of Yea Primary School is responsible for ensuring all suspensions and expulsions are recorded on CASES21.

Corporal punishment is prohibited by law and will not be used in any circumstance at our school.

Engaging with families

Yea Primary School values the input of parents and carers, and we will strive to support families to engage in their child's learning and build their capacity as active learners. We aim to be partners in learning with parents and carers in our school community.

We work hard to create successful partnerships with parents and carers by: ensuring that all parents have access to our school policies and procedures, available on our school website maintaining an open, respectful line of communication between parents and staff, supported by our Communicating with School Staff policy.

providing parent volunteer opportunities so that families can contribute to school activities involving families with homework and other curriculum-related activities involving families in school decision making coordinating resources and services from the community for families including families in Student Support Groups, and developing individual plans for students.

Evaluation

Yea Primary School will collect data each year to understand the frequency and types of wellbeing issues that are experienced by our students so that we can measure the success or otherwise of our school based strategies and identify emerging trends or needs. Sources of data that will be assessed on an annual basis include:

student survey data

incidents data

school reports

parent survey case

management

CASES21, including attendance and absence data

SOCS

Yea Primary School will also regularly monitor available data dashboards to ensure any wellbeing or engagement issues are acted upon in a timely manner and any intervention occurs as soon as possible.
