A WORD FROM CRAIG

Dear Families,

Thank you to the many families and students who shared their well wishes for my wedding. Tara and I had a wonderful day celebrating with our closest family and friends, followed by a short and relaxing honeymoon in Airlie Beach.

I would also like to sincerely thank **Lauren Cronk** for her leadership in my absence, as well as the wider school community for your support and kind messages.

While the break was fantastic, it has been great to return to school. The start to Term 2 has been calm and positive, and it is a reminder of what a wonderful school and community we are part of. We recently held our second **School Council meeting** for the year. Thank you to the members of our community who expressed an interest in joining School Council. We are pleased to welcome **Molly Buckland** and **Chantel Collins**, who have been co-opted onto School Council for 2026.

The **State Swimming Championships** were held on Thursday 23 May, where **Rory Bohn** competed in the Under 13 Boys Backstroke event. Rory finished in

an outstanding 7th place and achieved a personal best, improving his previous time by an impressive 3 seconds. A fantastic effort and a great reward for his dedication and hard work. Well done, Rory.

Our **Mother's Day Stall** will be held on Thursday 7th May. There will be a variety of gifts available for purchase ranging from \$1 to \$7, please send your child/ren with cash on the day. We would like to invite all of our fabulous mothers to join us for a **Mothers Day edition of house sports** on Friday 8th May at 2:15pm.

School tours are now underway and enrolments are open for 2027. From this year, the Department of Education has introduced a new online enrolment system. While this will streamline processes and reduce administration over time, it will be a new experience for both families and our office staff as we transition. Further information about enrolment, along with upcoming **school tour dates and our Information Night**, can be found on our school website.

As you may have seen in the media, the **Australian Education Union (AEU)** is continuing industrial action as part of the current Enterprise Bargaining negotiations. A number of our staff are participating in these actions, and we will continue to communicate with families in advance regarding any potential impacts on students or school operations throughout the term.

Further updates will also be provided to families in the coming week regarding **assessment and reporting processes for Term 2, 2026.**

Kind regards,
Craig
